TERM 1 SPORTS ACTIVITIES

The KJS PE department welcomes all children to get involved with sports and would like to inform you of all the opportunities for students this term.

Our sports clubs are always very popular. To ensure we provide opportunities for all children we will split some of our clubs into separate cohorts. You will be informed of your cohort when registration is complete. With this in mind please ensure you are aware of your start dates and your child is able to fully commit to their chosen lunchtime and/or after school activities.

**For all activities students should wear PE kit including appropriate footwear. Additional requirements will be outlined below.*

FOOTBALL **All players will require long socks and protective shin guards.*

Kowloon Junior School sports clubs are designed to be inclusive and we welcome all levels of ability. There may be opportunities throughout the year for selected students to represent the school at Hong Kong Primary Schools Tournaments. We are looking forward to another great year of sports at KJS.
