"Success for Every Child"

Dear parents/guardians,

There has been a <u>change in the date</u> for our **student led conferences**.

Originally these conferences were going to be held on the evening of 21 March and during the day of 22 March. To support our continued focus on wellbeing across the school we have decided to shift the dates for the conferences to the evening of 8 April and during the day of 9 April.

We will inform you when the system has been set up so you can book your appointments. For now, please just note the change of date.

Warm Regards,

KJS Senior Leadership Team
