

Dear Parents,

I hope you are having a great summer holiday.

We will be sending out the menu for August from Sodexo. Please note that hot lunches have been removed from the menu as of now. For months we had been in talks with Sodexo about increasing the temperature at which hot food was served; however, Sodexo have not been able to bring up the temperature of hot food up to 60 degrees Celsius (or more) as required by the HKSAR Food Health and Safety Department.

As such, Sodexo will not be serving hot food until they can come up with solutions to serve hot school lunches at the right temperature in environmentally- friendly containers. We will also be looking into options from other caterers.

We understand this might be an inconvenience to some parents and we apologise but we cannot allow Sodexo to serve food at inaccurate and inconsistent temperature levels.

Thank you for continuing to support the school lunch service. We hope to have more options of lunch service and food tastings in place at start of the new school year.

Hope you enjoy the rest of the summer.

Kind regards,

Saloni Melwani
