

SNN SHARES: ADVOCATE FOR YOUR CHILD WITH SPECIAL NEEDS

MAKING SENSE OF HK PUBLIC SERVICES

SWD, DA, HA, LWD, EDB ... what do these mean?

Understanding Hong Kong's public services labyrinth can be stressful, especially if you don't know how to navigate the system as a parent of a child with special needs.

Join us as we unravel the puzzle and help you understand the entitlements and services available for children with special needs, disabilities and complex medical needs.

Here are just a few of the key areas Sarah Tam, SNNHK Committee Member and parent, will discuss:

- Public medical care
- Early intervention
- Central referral system for rehabilitation services
- Disability and tax allowance
- Registration card for SEN children
