

Summer Camp

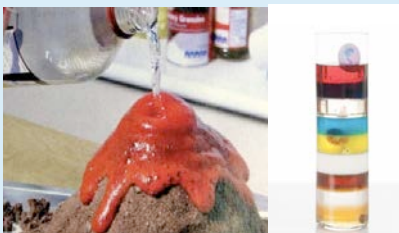

WEEK 1: July 8 - 12
WEEK 2: July 15 - 19
9:00 am – 12:00 noon

Baking Science

Junior Bakers Age 5-11

- Learn about science through baking and conduct fun science experiments every day.
- Bake and decorate: cakes, cookies, cake pops, breads and savory treats.
- Learn baking techniques: mix, sift, whisk, fold, roll, shape and pipe.
- Build teamwork and confidence when following recipe instructions.
- Bring home delicious creations to share with family and try all the recipes at home.
- Taught by international primary/secondary teacher (B.Ed./B.Sc./CELTYL) and cake designer.
- ESF Kowloon Junior School
20 Perth Street, Homantin, Kowloon
