

“Success for Every Child”

Date: 2 Sep 2019

Dear Parents,

It was lovely to see so many of you at school today, I know the teachers really value and appreciate the time you took to support your child's wellbeing and learning by talking with us.

As always our main concern is the safety and learning of your child so I wanted to update you on the events of today.

There were some protestors outside the local secondary school in the morning. Some parents did take exception to the protestors being close to KJS and there were some heated conversations. The police drove past the school in the morning and later a group of police walked up and around Perth Street, however at that time there were no protestors and in both cases the Police did not stop at the school. I had earlier met with the protest group and they assured me that they did not want to scare our children and would not be protesting tomorrow.

In the unlikely event that there are protestors outside of school in the morning or afternoon we (the Senior Leadership Team and Security team) will be on hand to ensure your child can come into and later leave the school in a safe way.

We are aware of possible disruption in the Tung Cheung area in the next few days and will remain vigilant. Please do contact us if you have any queries, I do appreciate the fact that parents have been in contact with me directly where they have concerns.

Thank you for your ongoing support of the school and staff and of our focus on safety and learning. One of the PYP Learner Profile characteristics is "[Caring](#)" and it is very evident in our school community at the moment that an attitude of care and respect will help our children in the current Hong Kong context.

Kind regards

亲切的问候,

सधन्यवाद

Neill O'Reilly
Principal
