

“Success for Every Child”

Date: 11 May 2020

Dear Parents,

During Term 3 it was scheduled for any Year 6 students who have not yet received all their MMR and Hepatitis B vaccinations, to be offered their next doses in school. However, due to the current closures this is no longer possible. For this reason, the School Immunisation Team will be issuing appointment letters to the students that require these vaccinations, so that you can take your child to their clinic on Argyle Street, Kowloon.

Please note that most Year 6 students will have completed the courses for both MMR and Hepatitis B immunisations when they were younger, so the majority of students will not require either of these vaccinations now. However, for those students that are missing any doses, they are being offered.

In order for the correct students to be issued an appointment letter and to prevent you making a trip to the clinic unnecessarily, the School Immunisation Team need to check each Year 6 student's immunisation record. To help us collate all this information for the School Immunisation Team, please follow the guidelines below:

1. Obtain clear scanned images or good quality photos of your child's immunisation record. This **must** include the page with their name and date of birth, as well as all the pages detailing the immunisations your child has previously received. If your child has more than one immunisation booklet, you must follow the above guidance for each record.
2. Email the uploaded images **as an attachment**, to the School Nurse at charlotte.davies@kjs.edu.hk. Please ensure the title of the email is in the following format: [Your child's class] - [Your child's full name] - Immunisation record for review

If you have any questions, please contact Nurse Charlotte via the above email address.

Kind regards,

KJS School Office
