

“Success for Every Child”

Date: 27 Oct 2020

Dear Parents,

Combined Diphtheria, Tetanus, acellular Pertussis & Inactivated Poliovirus Vaccine (DTaP-IPV) for Y1 Students

Information concerning the combined DTaP-IPV vaccination issued by the Director of Health will be sent home with your child today. Please read it closely. The DTaP-IPV immunisation (booster dose) is advised for all Y1 students unless a student has received this booster at or after 4 years of age.

A vaccination team from the Department of Health will visit KJS to administer the vaccination to eligible Year 1 pupils on Tuesday 10 November 2020.

Please read the consent form very carefully and complete all the sections by ticking and signing as appropriate.

Forms and **original** immunisation records should be returned to the School Nurse by **Friday 6 November 2020**. Original immunisation records are required so that they can be stamped once the vaccination has been given.

Yours sincerely,

Neill O'Reilly
Principal
