

“Success for Every Child”

Date: 19 Nov 2020

Dear Parents,

We hope your children are well and enjoying the connection with their teachers via zoom, we also suspect they can't wait to be back in school.

In addition to my message earlier today, there is some important additional information in relation to your child's class suspension. The CHP has updated their advice to schools this week and the following are now the guidelines:

- Class suspension may continue for up to seven days or more;
- Covid test results will play a part in the resumption of class; and
- Families of children in the suspended class are issued with Covid test kits for voluntary testing. The sooner we have test results submitted the sooner CHP can assess the situation and give guidance on class resumption.

Accordingly, we advise that **class suspension will continue for your child's class** until we have confirmation from the CHP that classes may resume. Your help in collecting and returning the voluntary tests is recommended to assist with the return to school plans for your child.

Please reach out to our Nurse Charlotte on charlotte.davies@kjs.edu.hk to access the kits from school.

We will be in touch as soon as we have further information from the CHP. Your child's teacher will advise ongoing learning arrangements including the provision of any resources to support learning in the home if this is applicable.

We look forward to seeing your child back in school as soon as possible.

Kind regards

亲切的问候,

सधन्यवाद
