

“Success for Every Child”

Date: 20 Nov 2020

Dear parents,

The team here at KJS has been working very hard to support the transition back to distance learning for Year 1-3. It is fair to say, that like many parents I spoke with on Friday, our team were really disappointed and saddened about the news of class suspensions. However, the team has quickly rallied to ensure quality learning continues for your child and that we are doing all we can to support the wellbeing and safety of children. To assist with the transition in the next week there are some important updates for you.

### Year 1-3

- If your child needs a device at home, here is the [link](#) you need;
- In addition to class teaching zooms, all specialist lessons will be via live zoom;
- Specialists will be juggling live zooms and face to face teaching with Y4-6, please be aware this will mean specialists lessons will be scheduled to allow sufficient time for transition for teachers between the two approaches;
- Teachers have sent links and timetables and are working over the weekend to repurpose planned learning to be effective via distance; and
- Please reach out directly to your child's teacher if you have any questions of need more information.

***Please take the time to read ALL the details about your child's learning for the week ahead.***

“Success for Every Child”

## Year 4-6

- Full days commence on Monday - remember gates will now open at 8am and collection is between 2:30 and 2:45pm from the same pick up location;
- Children must have a packed lunch that they can easily manage as they will be eating in silence in our dedicated lunch eating areas;
- Our lunch eating areas now have the addition of screen dividers between each child to support safe lunch eating;
- Children will be bringing their devices home on a daily basis so they are available in the home if the current suspension extends to Y 4-6 at short notice;
- We will be strongly promoting and monitoring our **3M's for success**, please remind your child of these at home (Meters, Masks and My Clean hands matter); and
- URTI cases in the school were significantly decreasing as the week progressed last week. Please continue to be vigilant and if your child is absent be very specific in your email to the school as to the reason for the absence as this will assist Nurse Charlotte and the health team with monitoring.

Like you we are wishing for a speedy return to school for all students, in the meantime let's do all we can together to keep our children happy, learning and safe in these turbulent times.

As always, thank you for your support and don't hesitate to reach out to us if you have any questions.

Kind regards  
亲切的问候,  
सधन्यवाद

Neill O'Reilly

Principal
