

“Success for Every Child”

Date: 14 Mar 2021

Dear Parents,

As we prepare for the 100% return to school tomorrow, we are conscious of the mixed feelings with some parents anxious about the recent turn of events with other schools on Hong Kong Island and the implications for a return to school, and others excited about finally having their child back each day. Be assured that we will be doing all we can to ensure your child has a positive and safe experience back at school. To support the transition back to school please note:

- You must complete the updated Health Declaration for your child before the morning otherwise they will not be able to attend school tomorrow;
- As mentioned in the notice last week, we have used the half day process before but with an earlier start and finish time. If you are concerned that your child will get hungry during the day, please send a suitable snack to sustain them;
- If your family live, or have spent more than two hours, in a building where compulsory Covid testing has been notified, your child cannot attend school until after testing is completed and negative test result has been received.

We will closely monitor the children and processes we have in place for the return to school and will contact you during the week with any updates and adjustments.

We look forward to seeing the children back at KJS tomorrow.

Kind regards
亲切的问候,
सधन्यवाद

Neill O'Reilly

Principal
