

“Success for Every Child”

Date: 12 Mar 2021

Dear Parents

You may have received the ESF Message about the updated Health Declaration Form on the App. Please note that this form is an **updated version** of the one that you have completed previously.

It is **critically important** that you complete this declaration before school starts next Monday, even if you have done so already in the past. The declaration must be completed in order for your child to be in school on Monday, without it we cannot permit attendance.

Automated reminders will be sent to all parents over the weekend, and we would like to apologise in advance for the repeated messages, however we want every child to be able to be in school on Monday.

With regards

KJS Health Team
