

“Success for Every Child”

Date: 2 Jun 2021

Dear Parents and Guardians

Our Year 5 students are starting the preparations for the Year 5 Market Day.

Over the next week they will be working in their teams to create:

- A simple business plan.
- A presentation for the “Dragons’ Den”.
- A prototype of their product.

We would like to ask you for your support throughout this unit, but particularly with regards to the purchasing of materials and resources for making products.

For this task, we ask the children to collect their own resources from home and then work together at school to actually build a prototype. If you could assist with gathering the resources that they need, that would be a great help.

Once the groups finish their preparation and successfully present their business to the Dragons’ Den, they will receive a budget of \$80 or \$100 per student (In a group) to start producing their stock. They must stay within their budget of \$80 or \$100 and cannot add any additional money to their business. It is this stock that the groups will sell at the Market Day in June. The students must ensure they keep all receipts from any purchases made in the lead up to Market Day. These receipts along with the money will be collected after Market Day. Please note that food and beverage products and Slime are not options for Market Day.

Many thanks for all your support

Kind regards,

The Year 5 Teachers
