

Dear Parents

To streamline parent fees and provide a sustainable solution to technology demands, the charges below have been determined taking into consideration the needs of our students and the goals of the school to support "Success for Every Child".

1. Field Trips – HK\$400 per student

As field trips are of such importance that they are required for successful learning to occur and is an integral part to our delivered curriculum, all students are expected to attend. Rather than charging parents for school trips on a termly basis, we will collect a lump sum for the whole year. It will cover all costs including entrance fees and transportation to all venues, and parents will be informed of the exact details of the trips in due course.

2. Classroom Stationery and Art Supplies – HK\$180 per student

3. eLearning Devices – HK\$470 per student

To move the school to 21st century practice with ICT, we have purchased over 1000 units of Chromebooks and iPads. This allows all students to have access to new devices every four years and to allow every two students to share one device in Y1 to Y3 (1:1 device in Y4 to Y6).

4. PTA Membership – HK\$500 per family

Kowloon Junior School Parent Teacher Association (PTA) is a non-profit organization. Its purpose is to facilitate close cooperation and contact between KJS parents and teachers to support student's general welfare. According to the ESF Ordinance, each family of KJS is to pay HK\$600 as an annual membership fee but it has been reduced to HK\$500 in 2021-2022. We will collect this fee on behalf of the PTA.

Invoices have been issued and parents can view / settle them via the online payment system on or before Sunday 14 November 2021. To know more about the online payment system, please visit <https://www.kjs.edu.hk/payment/>. For any questions, please email our Finance Team at finance@kjs.edu.hk.

Yours sincerely
