

“Success for Every Child”

Date: 9 Nov 2021

Dear Parents and Guardians,

I would like to take this opportunity to remind you that in accordance with CHP guidelines, students who are suffering from either vomiting, diarrhoea or a fever\*\* must stay away from school until symptoms have subsided for 48 hours, without the use of medicine.

This is outlined in the CHP ‘Guidelines on Prevention of Communicable Diseases in school’.

With your help we can do our best to keep our students and staff happy and healthy during this winter season.

\*\* Please note that a fever is 37.5°C (99.5°F) or higher if an oral/mouth thermometer is used or 38°C (100.4°F) if tympanic/ear thermometer is used.

As always I am here to answer any questions you may have.

Best wishes

Victoria Curwell
