Dear Parents,

The children have started their camp and are full of energy and enthusiasm. "It was hard, challenging and fun" was one quote I heard at the high elements course this morning. The sun has even come out for us!

There has been a slight change of activity schedule for the next two days. Please see the information below. Apologies for any inconvenience caused. The children have also been informed of the changes. Everyone will still participate in all of the activities

**Thursday**

Group A Hiking

Group B High Elements

Group C Kayaking

**Friday**

Group A Kayaking

Group B Hiking

Group C High Elements

Thanks,

Ciaran Fay  
Vice Principal
