Dear KJS Families,

The ESF Crisis Management Team has issued a set of directives to all ESF schools in response to the latest HK Government COVID measures. The directives take effect from this Friday, 7 January 2022 until our Lunar New Year break starts (Friday, 28 January 2022) inclusive. The directives as they pertain to KJS families are listed below.

- All after-school activities are cancelled.
- Parents are not permitted to enter the campus during this period, so all planned in-person meetings with parents must be cancelled.

Given the uncertainty of the current situation, we have already engaged in contingency planning for a number of scenarios, including distance learning and half-day in-person school. We are confident that we can respond rapidly and appropriately should circumstances change again, and we will keep you informed as the situation unfolds.

We apologise for any inconvenience caused and thank you for your understanding and support.

Kind regards,

Dr. Jamie Schmitz - Principal
