## PYP Exhibition

Dear Parents,

We are excited to invite you to a parent information session on 19th April at 5pm to share with you more information about the PYP Exhibition (PYPX) at KJS.

You may have heard your child speak about the PYPX already as we began tuning the year group into inspiring ideas of how other schools have approached the exhibition, and exciting ideas to direct their own.

In its simplest form, the PYP Exhibition is the culmination of their learning throughout their PYP journey at Kowloon Junior School. The children will use all the skills and dispositions they have developed over these years with support along the way from a variety of mentors, to embark on a self directed inquiry that will ultimately lead to them taking action.

Whilst the most important part of the Exhibition is the process that the children go through, there will be a showcase at the end as a chance for the children to share their learning with the KJS community, the wider ESF community, and of course family. At the moment we anticipate that this day will be the 2nd June and would be shared online with parents. Subject to restrictions changing, we would of course look to move this date if the opportunity to maximise the presentation experience appears. More information and confirmation of the exhibition date will be sent closer to the time.
