Success for Every Child

Date: 11 Apr 2022

Dear Parents

As stated in Dr Schmitz's message sent on Wednesday 30 March, face-to-face learning will resume after the Easter break. While your child's class teacher will share more details with you in due course, we would like to gather more information on the device being used at home during the 45-minute independent learning sessions in the afternoons after all borrowed school iPads are returned on the first day, 19 April 2022. Please complete this [form](#) by next Friday 8 April and your submitted data will help us make the most suitable arrangement for your child.

Thank you in advance for your help!
