Success for Every Child

Date: 12 May 2022

Good afternoon Year 5 parents.

I am sending home a letter and consent form regarding the upcoming immunisation day being held by the School Immunisation Team.

As part of the Hong Kong Childhood Immunisation Schedule, all year 5 FEMALE students will be offered the Human Papillomavirus (HPV) vaccination.

Please expect to find the letter and consent form in your daughter's bag by the end of the week if you haven't already.

As stated in my previous email, currently the CHP school immunisation team is not offering the HPV to MALE students. If you wish your son to be vaccinated however, you may speak to your family doctor.

Best wishes
