Success for Every Child

Date: 4 May 2022

Dear Parents of all students signed up to the School Dental Service.

Due to the fifth wave of covid19, the School Dental Service has instructed KJS that students are brought in to dental appointments by their parents/guardians, rather than as a group by the school.

So far, year 2 and 6 have received their appointment slips and we have been told that the other years can expect to receive their appointment slips in early June.

The KJS finance team will reimburse the bus money you have already paid into your E-wallets on the KJS payment system.

I am sorry for any inconvenience caused by this change.

Best wishes

Victoria Curwell
