

Date: 8 Jun 2022

Dear KJS Parents,

Thank you for your cooperation and understanding in supporting Red Rain school pick-up this afternoon. I acknowledge that there is no arrangement that will suit all families.

Please see below for clarification regarding the ESF Inclement Weather Policy and the KJS procedures that are aligned with it.

- It is ESF policy that buses are not allowed to run under the following signals:
 - Red Rain
 - Black Rain
 - T8 or higher
- If any of the above mentioned signals are in place at 1:30 p.m., then the bus services will be canceled and all KJS families will be asked to pick up students from the KJS campus at 2:30 p.m.
- Family notification will be sent via the ESF App and as an SMS message. The notification will also be posted as a banner on our website.
- Families will be asked to collect children directly from classrooms.
- If you have been asked to collect a child(ren) outside of your own family, then please show written confirmation to the teacher on your phone. This could be an email or text message.
- To improve flow and decrease congestion on campus, we will open gates fully and signpost a path that leads directly to our undercover play area.

Kind regards,

Dr. Jamie Schmitz - Principal
