Success for Every Child

Date: 20 Jun 2022

Dear KJS Families,

Though we haven't heard anything directly from the EDB regarding student vaccinations for a while, it was indicated earlier on that certain opportunities for schools may be unlocked in the future based on student vaccination numbers. One example may be the flexibility to eat lunches at some point in the coming school year in areas outside of our Hall and designated 4th floor area.

In light of the above mentioned, I would like to respectfully remind you, if you haven't already, to keep us informed if your child has been vaccinated. Please rest assured that KJS' stance is still fully aligned with ESF in that we acknowledge and appreciate that vaccination is a family choice.

Kind regards,

Dr. Jamie Schmitz - Principal
