Dear parents,

We are pleased to be able to offer an additional sport club starting this term. ESF Sports will be providing Football coaching for our Year 4 students. The sign up is through gateway as with all other sports clubs and will be open from 26th August until 2nd September. Please note that this session will take place at KJS but will not be run by KJS staff.

As with our other clubs, depending on numbers we may have to split the students into different cohorts. In this case, you will receive a further email informing you of the specific dates your child's sessions will be.

**For all activities students should wear KJS PE kit including appropriate footwear. Additional requirements will be outlined below.*
