Success for Every Child

Dear KJS Families,

Re: Smartwatches and Personal Belongings at School

I hope that you all had a safe, enjoyable, and relaxing weekend.

This is just a brief reminder regarding our stance on students bringing smartwatches and personal belongings to school.

Smartwatches have become far more commonplace over the last few years, and we appreciate that some parents want their children to wear them for contact reasons. Please note that smartwatches are not permitted to be worn during the school day so, if you would like your child to wear one, then please encourage them to place it in their school bag or hand it in and collect it from the classroom teacher.

Except in the case of a teacher request or personal items that are required for school (lunchboxes, drink bottles etc.), we strongly recommend that students do not bring personal belongings to school. If students choose to bring personal belongings to school then please note that we will not take any responsibility for the loss of or damage to these personal items. In accordance with this stance, it is also important to note that teachers will not engage in email exchanges regarding personal belongings.

We thank you for your understanding.

Kind regards,

Dr. Jamie Schmitz

Acting Principal
