

Date: 3 Oct 2022

Dear year 1 and 2 KJS families,

On Tuesday, October 11th, Mr. Fay and I will be conducting a presentation for our year 1 and 2 families about play in the early years at KJS. The time of the presentation will be from 4:00pm-4:45pm.

The key questions we will be addressing in the presentation are as follows:

- What is play and what does it look like at KJS?
- Why is play important?
- How is play connected to our curriculum?
- What role do adults have in play?

In the weeks following the presentation we will be inviting **one parent per family** to come into school and join in some play based learning within your child's class. Details about this will be sent out at a later date.

The presentation will be conducted on **Zoom and a link will be sent out Monday the 10th**. You do not need to sign up in advance.

Warm Regards,

Dawn Doucette & Ciaran Fay
