Success for Every Child

Date: 28 Oct 2022

Dear KJS families,

With the launch of the Government Vaccination Programme (GVP) starting on 6th October 2022, children studying in a primary school are recommended and eligible to receive subsidised seasonal influenza vaccination (SIV) to better protect themselves in the coming winter influenza season. SIV is one of the effective means to prevent seasonal influenza and its complications, as well as reduce influenza-related hospitalisation and death.

Please check with your family doctor or local clinic for enquiries and appointments for the subsidised SIV.

Please do not hesitate to get in touch with me if you have any questions.

Best regards,
