**KJS-Y6-1121-NR EQUIPMENT LIST - ITEMS TO BRING**

Remember that this is an adventure-based program. Please do not pack your best clothes, as they are likely to get quite dirty. Leave your phones and other similar electronic devices at home – there will not be time to use them! Bring your watch but leave other jewelry at home, as you will only have

to take it off for activities anyway. We recommend clearly labelling equipment with your name. And finally, you will not need much spending money, so please don't risk losing it.
