Success for Every Child

Date: 13 Dec 2022

Dear Parents,

Thank you to those who have donated unwanted items that we can use for our play spaces in the new year. It really helps support a more sustainable approach.

I am just sending a reminder that anything being donated **must be able to withstand harsh weather** as it will be out in the open and not covered all of the time. Also, please do not send in anything that is broken or cracked. We are seeking previously loved and gently used sports equipment that can be used by the students during their play times.

Many thanks!

Mrs. Doucette (on behalf of the student council)
