Success for Every Child

Date: 07 Feb 2023

Dear KJS Families,

To complete the ESF Stakeholder Survey, please use the link sent to you individually by the ESF Centre last week.

I respectfully ask that each and every family take a few minutes to complete the survey. It is sometimes the case with feedback surveys, that those who are generally satisfied don't feel like they have useful feedback to share. From a KJS perspective, it is really important that both strengths and gaps are identified through this feedback survey process. This is because the best way to develop is to use strengths to adjust, add, and eliminate where needed. It is also really important for KJS to find out what it needs to keep doing as a school.

Kind regards,

Dr. Jamie Schmitz - Acting Principal
