Success for Every Child

Date: 23 Feb 2023

Dear KJS Families,

It has come to my attention, that some students are using their smartwatches on school buses to record video footage of other students without their consent. Please note that KJS does not support the recording of any video footage without consent on any device in or outside of school.

I would be very grateful if you could reinforce the school's stance and help our students to understand the importance of respecting everybody's right to privacy.

Kind regards,

Dr. Jamie Schmitz - Acting Principal
