Success for Every Child

Date: 10 Mar 2023

Dear Parents and Caregivers,

Thank you for all your wonderful emails to our library team with your feedback and compliments on this year's Book Week.

This week, we continued with our Home Language (Mother Tongue) Mystery Readers coming into our library class. The students have been so excited to see surprise readers coming to the library to read stories in different home languages.

We've seen the impact already on our library loans with students asking to borrow books in their home languages. Thank you to our volunteers who have made this happen and brought about the importance of celebrating their culture and heritage through stories.

Please visit our [Book Week Padlet page](#) to see photos that we've captured during library class. You can also visit the [Book Week Page](#) on our KJS Virtual Library to look at last week's virtual assembly and the other activities that we reorganized.

Have a great weekend.

Kind regards,

Macy Lau
