Dear Parents,

STUDENT HEALTH SERVICE/SCHOOL DENTAL CARE SERVICE

The details of the combined form for the Student Health Service and the School Dental Care Service was sent home with your child today. Parents are encouraged to join both schemes.

Parents wishing to enroll their children in one or both of these services are required to complete the application form(s) fully and return it to KJS as soon as possible. **If your children are joining the School Dental Care, please submit the application form together with a copy of the selected identity document.** It is necessary to re-enroll each year. The last date for acceptance of the forms is **Monday 4 September 2023**. Please understand that any applications received after the deadline cannot be processed and you will have to wait until the next academic year to enroll.
