'You Tell Us' Meetings

Wednesday 13th September and Thursday 14th September

3pm-6pm

Dear KJS Parents and Guardians,

In line with our Mission Statement, Kowloon Junior School is committed to providing the best possible education for every student. We believe that students achieve success when families, school and communities work together.

Our 'You Tell Us' meetings are designed to provide parents with an opportunity early in the academic year to share relevant information with the teacher about their child. Academic progress will be discussed later this term at the three way learning conference.

Students' personal and social wellbeing is directly linked to engagement and motivation and thus essential to supporting effective teaching and learning. Whilst the class teacher will be able to provide their own insights, the main purpose of the 'You Tell Us' meetings is to find out information from you.

Please take the time to consider the following questions prior to the meeting.

- How would you describe your child's personality?
- How do you feel your child is settling into the new school year?
- What are their strengths and interests in and out of school?
- Which language(s) does your child use at home with family members?
- Do you /they have any areas for concern that we need to know about?
- Is there any other information you would like us to know about your child that will help him/her experience the greatest success this academic year?
