Success for Every Child

Date: 31 Aug 2023

Dear Parent/Guardians

You will have received the [information](#) regarding our upcoming 'You tell us' meetings between parents and teachers. I'm aware some parents have been asking if the meetings are virtual or not. Please note that this event is face to face.

We think this is vitally important for this first meeting of the year with your child's teacher. Please note students do not need to attend this meeting.

I will also be sending out parent survey in the next few weeks. The aim of this is to give parents an opportunity to share your views and ideas on a number of school wide issues, including events such as this one.

Information on the PTA supported year group coffee mornings, in which I will be in attendance, will be sent out shortly as well.

As always, thank you for your ongoing support.

Regards

Gavin MacGregor

Principal
