Success for Every Child

Date: 3 Nov 2023

### Three-way conference meetings

**November 2023**

Dear KJS Parents and Guardians,

I am writing to inform you of our upcoming Three-way conference meetings.

Three-way conferences enable dialogue between students, parents and teachers. Everyone meets to discuss the student's learning and targets, with the student taking an equal and active role. A three-way conference is 15 minutes with your child and their class teacher, plus an opportunity to engage with our specialist teachers. The conferences will be held face to face here at KJS, at the dates and times below.

These meetings align with our AAROW's of success, particularly Agency and Achievement as it gives students an opportunity to share their growth as learners. Through this process the children will develop competency as assessment-capable learners and demonstrate a growing understanding of their development as independent learners.

As a parent or guardian, the hope is you will gain a greater understanding of your child's progress and next steps. Parents, staff and students collaborate to achieve success for every child.
