Dear Year 6 families,

As promised we are attaching the video recording of last night's meeting. The presentation was very informative and should have all of the information that you need to help your child to prepare for camp.

There are a few things to note:

- Children *will* need to provide their own sleeping bags and sleeping mats. Borrowing from friends and family is highly recommended.
- Children can bring a pillow, although this would have to fit in their bag. An alternative is to bring a pillow case and put some of their dry clothes in it to act as a pillow.
