Success for Every Child

Date: 10 Nov 2023

Dear Parents,

Completed: Combined Diphtheria, Tetanus, acellular Pertussis (reduced dose) & Inactivated Poliovirus Vaccine (dTap-IPV) for Year 6 students on 10th November 2023

Year 6 students have had the dTap-IPV Immunisation today.

Please kindly check their school bag for the immunisation record with an advice sheet after vaccination tonight.

Some students provided consent but did not receive the injection after being reviewed by the CHP immunisation team. Please find a notification letter in their immunisation record for your further action.

Feel free to contact me for any questions.

Best regards,

Carmen Chan
