Success for Every Child

Date: 18 Jan 2023

Dear Year 6 Parents,

**Human Papillomavirus (HPV) Vaccine for Year 6 School Girls;**

**Measles, Mumps, Rubella & Varicella/ Measles, Mumps & Rubella (MMR/ MMRV) and Hepatitis B Vaccine (HBV) for Year 6 students**

The School Immunisation Team (SIT) from the Department of Health will visit our school on **13th March 2024 (Wed)** to administer HPV (Girls only), MMR and HBV vaccines to eligible Year 6 students. Information on these vaccines issued by the Centre for Health Protection will be sent home with your child today.

Please read it carefully and return the completed "**Consent Form**" or "**Refusal Form**" along with **the original immunisation record, and the eHealth Registration Consent Form (if applicable)** to the school by **7th February 2024 (Wed)**.

*\* If you are unsure whether this immunisation is required, but you are happy for it to go ahead if it is, my advice is to consent and send your immunisation book in. The CHP team will check all records before administering and would only give if needed. \**

If you have any questions about the vaccines, please contact the SIT at 2615 8585 or 2615 8563 during their office hours.
