Success for Every Child

Date: 19 Feb 2024

Dear Parents,

As we begin the Year of the Dragon, a new initiative to understand our carbon footprint across ESF is underway. Part of this is to understand the carbon emissions from our commuting to school and returning home. A simple survey has been prepared, your participation will be very valuable to this effort.

Please take a few minutes to complete the survey in the provided link. Thanks in advance for your support.

[ESF Carbon Survey - Questionnaire for Parents](#)

Please complete the survey by the **23rd of February** or as soon as you receive it. This survey will be conducted in accordance with ESF Personal Data Collection Statement. The statement can be seen here: <https://www.esf.edu.hk/privacy/>
