Success for Every Child

Date: 28 Feb 2024

Dear KJS Families

Many of you will be familiar with the Seesaw App used in Years 1-3 to share students' learning journals with families.

Recently, we have begun to use Seesaw in our Expressive Arts subjects of Music and Drama for students in all year levels to share their learning.

In order to ensure that families are connected to the Seesaw app to view posts from our Expressive Arts, we will shortly be sending out an email invite for any families not already connected to the KJS Seesaw App to sign up.

If you are not already connected to KJS Seesaw, we would encourage you to sign up via the invite as it is a valuable way to keep in touch with the rich learning experiences in a very important area of the KJS curriculum.

Unfortunately, there is no way to target this invite, which means that all families will receive it. If you are already connected to Seesaw, please ignore this invite - you will already be able to view and interact with posts in relation to your child's Music and Drama learning. We apologise for the inconvenience if you are already connected.

Kind regards

KJS
