

Date: 6 Mar 2024

Dear Parents,

We are delighted to formally invite you to a new event hosted by the KJS PE department. Fun Field Day is different from our Athletics Day, rather than watching the students perform, this is an opportunity for you to spend time actively engaging with your child and to gain a deeper understanding of their learning experiences in PE. It is very much a day where parents will be taking part! We hope to see as many parents as possible on the field with our students. Please see below for details of the day;

What: Lower School Fun Field Day

Who: Year 1 9am -10:30am, Year 2 11:15am -12:45pm

*Y1 and Y2 snacks on the field from 10:30am-11:00am

When: Thursday, March 21st

Where: Perth Street Sports Ground

Why: An opportunity for parents to join our learning community. To see first hand how their children move, play and interact in PE. Parents will engage with their child in a fun, playful environment; an opportunity for students to celebrate their growth and development and to highlight the value of PE at KJS.
