Message to Y4-Y6

The KJS PE department welcomes all children to get involved with sports and would like to inform you of the opportunities for students this term.

Our sports clubs are always very popular. To ensure we provide opportunities for all children we may split some of our clubs into separate cohorts. You will be informed of your cohort when registration is complete. With this in mind please ensure you are aware of your start dates and your child is able to fully commit to their chosen lunchtime and/or after school activities.

Please note - For all activities students should wear PE kit including appropriate footwear. Additional requirements will be outlined below.

There may be additional opportunities throughout the year for selected students to represent the school at Hong Kong primary schools tournaments and events. Further details can be found on the Gateway prior to registration.

Please note that parents and caregivers are required to make their own travel arrangements for the after-school pick up.
