Success for Every Child

Date: 1 Feb 2024

Dear Parents,

The HPV (Girls only), MMRV/ MMR and HBV immunisations for Year 6 students have been completed today.

After checking all the immunisation records, the CHP team has found that most students' MMRV/MMR and HBV immunisations are up-to-date. As a result, most students would not need to have the immunisation today.

As we need extra time to check the immunisation record, it will be returned to you tomorrow.

Feel free to contact us for any questions.

Best regards,

Carmen Chan
