Success for Every Child

Date: 15 Apr 2024

Dear Year One families,

I am writing to inform you about an adjustment to our school calendar this term. On Friday, 31st May, there is an ESF wide transition day for students entering kindergarten, year 1 and year 7. At KJS, we will be facilitating a transition day for the intake of Year One students for the academic year 24/25. As a result, we have made the decision that your child **will not need to physically attend classes** on that day.

This decision has been taken to allow our Year One teachers to fully focus on welcoming the new students, providing them a comprehensive tour of the school and its facilities, and ensuring a smooth transition to their new school environment. We believe that this will greatly benefit our new students as they start the next stage in their educational journey at KJS. It also aligns with the approach that some of the ESF kindergartens have for the same process.

During this time, our Year One teachers will provide activities for your children to participate in at home. These will be designed to complement their ongoing learning.

We appreciate your understanding and cooperation as we work to ensure a positive experience for both our current and incoming Year One students.

Kind Regards,
Gavin MacGregor
Principal
