Success for Every Child

Date: 16 Apr 2024

Dear Parents,

Measles, Mumps, Rubella & Varicella/ Measles, Mumps & Rubella (MMR/ MMRV) for Year 1 students Completed

The MMR/ MMRV Immunisation was completed today. After checking the immunisation records, the CHP School Immunisation Team confirmed that not all consented students required the vaccination based on various reasons - some might have already had MMR/ MMRV or some are just missing Varicella which requires different vaccines. For details, please kindly refer to the letter from CHP to be brought home with your child today.

For those who had the vaccination, you will find an "Advice to Parents" on possible reactions attached to their immunisation records for your information.

For students with consent but are absent today, the CHP Immunisation Team have issued a referral letter for you to arrange an individual appointment to have it done in their clinic. The referral letter will be sent home alongside your child's immunisation record upon their return to school.

Please feel free to contact me if any questions.

Best regards,
Carmen Chan
