

Yr4 Weekly Update - 11/18/16

The countdown to camp is over! Just a reminder that all medicines need to be labelled clearly with the name and instructions for administering them and be accompanied by the doctor's prescription. Please help children to pack their own bag and remember that they'll need a pair of closed toed shoes that they can go in the sea with. Crocs are not good as they can't be secured well enough. Old PE trainers are ideal.

Children should come to school dressed in their PE kit on Monday morning and bring a packed snack and lunch for Monday. Food is provided for the rest of the time.

Maths

Our Multiplicative Thinking project continues

Literacy

We have been using our personal inquiry questions as our 'reason to write' and reflecting on our confidence in communicating in a chosen way.

Home Learning

Pack your bag for camp. Check your camp list and make sure you've got everything.
